Monthly Newsletter

Hello 2025!

In an effort to increase awareness and keep everyone informed, GFU is kicking off the New Year with a Monthly Newsletter. The newsletter will feature community projects and events, sponsorships, employee birthdays, team buildings, upcoming trainings, etc...

If you have news you would like to include in an upcoming newsletter, please email cprieto@gfugas.com.

Volunteer Opportunities

GFU's Motto: ***"Real People Who Care"***

GFU takes pride in it's community involvement and will continue to sponsor events in the communities we serve in 2025. However, we will also have opportunities where we can provide service. GFU will be volunteering at Cornyval in May, please contact Cynthia if you are interested in volunteering. Volunteering is a great way to keep in touch with the community and neighbors we serve. It is also a great way to demonstrate that we are, ***"Real People Who Care"***.
